

Chalet on November 17 last year (2018)!

Hello Deep River Skiers,

With the cold weather and snow in the forecast, it's time to dust off the skis and renew our memberships with the DRXC. The club works diligently to offer wonderful ski opportunities for everyone. Membership fees pay for trail grooming, trail and facility maintenance, equipment, insurance, and memberships in Nordiq Canada and Cross Country Ontario.

Membership Registration

To join the club, please click on the link "<https://zone4.ca/register.asp?id=22492&lan=1&cartlevel=1>" (also available on www.drxc.ca through the registration link), or print and fill in the attached pdf file. You can get your membership in person on November 30 or December 1 from 11 a.m. to 1 p.m. at the Deep River Curling and Squash Club. For those under 26 years of age, new this year is a concussion safety code-of-conduct that must be signed as well.

Where membership \$ are spent

Jackrabbit Registration

The Bunnyrabbit and Jackrabbit lessons for children will be held Saturday afternoons from January 4 to early March. Registration is online only (via www.drxc.ca through the registration link). The enrolled children are automatically DRXC members. For more information, contact Kathryn Chiasson 613-584-4255.

Fall Projects

In preparation for the upcoming ski season, many people have been out doing some great projects to enhance the skiing experience, as you can see from the photos below.

Parking on Balmer Bay Road

Parking on Balmer Bay Road will undergo changes for the upcoming winter season, as residents on Balmer Bay have expressed safety concerns with the current situation. The problem arises from skiers walking along the road around parked cars. To help alleviate this problem, two new access points from Balmer Bay Road to the D-Loop have been created and will be maintained during the winter. Options for safer parking near the chalet are being explored.

Contact Us

We are always looking to improve the club and the skiing experience for its members. If you have ideas or suggestions to pass on, please contact me or any of the club executive members (contact information available on www.drxc.ca).
