

Email to DRXC Members, 2021 March 24

**Subject:** DRXC Quick Update – Trails currently unskiable, AGM planned for April 27

*M Loop near the DRXC chalet (2021 March 24)*

Hello DRXC skiers,

As you can see from the photo, the big windstorm on March 12 and the ensuing warm weather have left our trails unskiable. If we do get a significant snowfall in the coming weeks, you'll be happy to know that loops M, D, R, and X have been cleared of deadfall trees.

**Annual General Meeting** - The AGM will be held Tuesday April 27 starting at 7:00 p.m. Due to the continuing Covid situation, the meeting will be held via Zoom. An agenda and details will be provided about a week before the meeting.

**Rental Equipment Return** - For those who rented ski equipment this season, equipment return will be scheduled in late April or early May. Once suitable arrangements have been made with the Curling Club (where the equipment is stored), the details will be emailed to those who have rented equipment. Please direct any questions to Phil or Diane Davis at [phil.davis603@gmail.com](mailto:phil.davis603@gmail.com).

**Map Updates** - Most of the maps on the DRXC website (<http://drxc.ca/maps/>) have been updated recently. The latest map of the Bass Lake trails includes emergency access snowmobile routes and an emergency contact list.
