Subject: DRXC Quick Update - Moonlight Ski Feb 9, B-Loop Groomed

Hello DRXC skiers,

A quick update on DRXC happenings.

Trail Conditions: Every loop on the Silver Spoon trails has been groomed for skate and classic for your weekend enjoyment. This includes B Loop for the first time this season. The only gap in the grooming is with H Loop, which remains with 5 cm powder. Thank-you trail groomers!

Moon Light Ski: All set for Saturday February 9, 7:00 p.m. start from the chalet. Should be a full moon with clear skies predicted.

DRXC Skiers at the Opeongo Loppet: A sizeable group from the DRXC participated in the Opeongo loppet, as can be seen in this photo of the winning team (photo credit – Mark@thevalleygazette.ca).
